

## Dentistry Fit Out – South Kirkby

### Project Brief

NHS Property Services required the fit out from shell, of two large community dental rooms and one x-ray room.

### Project Summary

The scheme required a high specification fit out of three shell units to a difficult programme. The project included liaising with various specialist suppliers and coordinating the move from the existing premises.

The project was undertaken whilst the building and clinical services remained in full operation. The scheme was delivered within the timescale and to a high standard of finish.
