

Qualsafe Office Extension – Bradford (Phase 2)

Project Brief

Qualsafe were outgrowing their recently constructed office and warehouse due to business expansion and success in new market sectors. As a result they required an extension to double the existing space.

Project Summary

The design and construction of a two storey office facility together with all associated external works. The ground floor accommodates office space and conference facilities whilst the first floor provides additional open plan office space with fantastic views over Bradford and the Yorkshire countryside. Aspect 4 were involved in the original development which was built in 2010 and designed in such a way that it could easily be extended at a later date as the Client's business grew.
